enquiring what head license fee under the Moneylenders Act should be credited.

1) The Comptroller wants to know the head of account to which the fee of Rs.5/ prescribed as licence fees under the Moneylenders Act has to be credited. He suggests " V Stamps."

The licensing provisions of the Act and Rules have not yet been put into force and the question therefore does not arise for consideration. But if a decision has to be given, the Comptroller's suggestion may perhaps be approved.

4) Fees realised in the shape of stamps or stamp paper will appear under the major head "V Stamps." Fees realised, in cash, may be credited under "XIII Miscellaneous - 5 Miscellaneous - other receipts" if the amount received is small. If the total amount is expected to be not small, after the rules are given effect to, a separate detailed head may be opened for the purpose, instead of crediting it under "other receipts."

It appears a reply on the above line should be sent to the Comptroller. Statistics are not yet available as to the no. of moneylenders registered in the State. As the licensing provisions are however intended only to affect a limited class of moneylenders the amount may not perhaps be large. Submit this with a draft reply for orders. [illegible]
